“Now more than ever we need leaders we can depend on to have law enforcements’ back,” **said Sheriff Leonbruno**. “Dave Joyce is a former prosecutor who understands what it takes to keep our communities safe. “Protect”

I've been in law enforcement protecting our communities for more than thirty years.

That's why I support Congressman Dave Joyce.

Dave Joyce is a former prosecutor who understands what it takes to keep our communities safe.

When radical voices try to defund the police and turn to looting and chaos, we can count on Dave Joyce to defend law enforcement and keep our communities safe.
